

Party Rentals at the Vashon Recess Lab

We love renting out our space for all sorts of uses especially birthday parties! We want to make this experience as easy as possible for everyone since we know there's a lot to manage for a successful party.

The party rental time is for TWO HOURS however, we allow up to 30 minutes for both set up and take down.

Cost is \$200.00. (\$50.00 non-refundable deposit and remainder due day of the party.)

What we provide during the party:

- ✓ Climbing shoes for all climbers provided we have the sizes
- ✓ Slackline, mini trampoline, hula hoops
- ✓ Foosball
- ✓ Movie projector capable of playing DVDs, Blu-Ray, and able to hook up to laptops
- ✓ Many DVDs – mostly children's (list available upon request)
- ✓ 2 6' tables (with table clothes if needed)
- ✓ 8 chairs

The rules we ask all party goers to follow are:

- ✓ Food or beverages only in the spin room
- ✓ No playing on the spin bikes or any other sports equipment in the spin room.
- ✓ No playing with the physio balls or weights in the climbing room
- ✓ The child: adult ratio is high enough that children will be safe. This is something for you to decide depending on the age and maturity of the guests.

Yes, we'd like to have The Island Queen cater!

When the party is over, all you need to do is take your decorations, food, and presents and go home to enjoy a clean and quiet house. We do the clean up!
